Trading Losses

Posted on July 14, 2014 by Dr. Gary

Trading losses are tough to handle for many traders. Not only do they hurt, but they can also lead to a loss of confidence. In my article on [TraderPlanet.com](#), I explain why not thinking about our losses is a mistake. You can read the article at the link that follows. Below the article, you can make comments and add to the discussion. Here's
