Reiterate Buy stance on improved growth visibility

Deepak Nitrite (DN)'s 4QFY21 performance exceeded our expectation as the utilisation rate at Deepak Phenolics was 130% against our estimate of 115%. Phenol utilisation was backed by a turnaround in domestic user industries and export demand. Overall revenue/EBITDA/PAT grew 39%/73%/68% to Rs 14.6bn/Rs 4.5bn/Rs 2.9bn. Revenues were supported by growth across segments, barring Performance Product (PP) which remained subdued due to a drop in prices during 1QFY21. Profitability was driven by better phenol prices and higher utilisation. Phenol spread was USD 642 vs. USD 417 YoY. The balance sheet improved considerably as sustained profitability and a stable working capital environment boosted cash flows (OCF at Rs 9.9bn vs. Rs 7.6bn in FY20). DN has paid off debt of Rs 5bn (D/E at 0.2x vs. 0.7x YoY).

Investment of Rs 3bn in new platforms including fluorination and photo-chlorination; capex pipeline remains strong: The management indicated that it will advance its core competencies of nitration, reduction and diazotization into new intermediates for agrochemicals and pharmaceuticals. Also, at the newly formed subsidiary Deepak Clean Tech, it will invest in newer chemistry platforms of fluorination and photo-chlorination to forward integrate into value-added offerings. As per the latest ToR (Terms of Reference) for Environmental Impact Assessment (EIA) report, the company can enter (over the next five years) into downstream products including Butyl Phenol, Cyclohexanone, Bisphenol, Dimethyl ether, Alpha Methyl Styrene, Phenylene Diamine, Hexylene Glycol and Methyl Iso-butyl Carbinol (MIBC).

Additional IPA (Iso-Propyl Alcohol) capacity of 30,000tn and captive power plant to commence operations in 1HFY22: We expect the new additional capacity of IPA to commercialise in 1QFY22. The total capacity of Acetone is likely to reach 60,000tn in FY22E. The domestic consumption of IPA has grown at a CAGR of 11% over the last five years to 200,000tn. Deepak Fertilizer is the largest manufacturer of IPA in India with a capacity of 100,000tn (70,000tn existing, 30,000tn planned addition). We expect IPA to contribute to 22%/23% of Deepak Phenolics' revenues in FY22E/23E.

Phenol spread and IPA price remain firm: The phenol spread was significantly higher YoY in 4QFY21 due to higher acetone and phenol prices. The spot spread is USD 747 compared to the 4QFY21 average of USD 642. IPA prices saw a gradual increase in April as the worsening COVID situation fueled demand expectations. The prices averaged Rs 106/kg vs. Rs 101/kg in 3QFY21. The spot IPA price is Rs 122/kg currently (domestic prices at Rs 150/kg). We factor in an average price of Rs 120/kg and a phenol spread of USD 645/tn for FY22E and FY23E.

Capital allocation strategy: DN's board has approved a dividend of Rs 5.5/share (face value of Rs 2) for FY21 as against Rs 4.5/share in FY20. The dividend payout stood at 10% for FY21. The company has paid off ~Rs 5bn of debt and the standalone entity is now debt-free. Sustained profitability, aided by Fine and Specialty and Phenol segments, led to improved operating cash flows of Rs 9.9bn (Rs 7.6bn in FY20); further, with capex deferred due to COVID, the company generated a free cash flow of Rs 7.9bn vs. Rs 3.5bn in FY20. The management will soon present its growth plan for the coming years.

Outlook and valuation: We remain positive about the company's growth prospects given its management expertise and chemical capabilities. We expect revenue/EBITDA/PAT CAGR of 19%/20%/23% over FY21-23E. Given the improved revenue and profit visibility, we revise our target price to Rs 2,145 (earlier Rs 1,453) which is based on 25x FY23E (earlier 20x) and implies a ~15% discount to ARTO and ATLP. Maintain **BUY**.

Investors are advised to refer disclosures made at the end of the research report.

I. ANALYST CERTIFICATION

I, **Ankit Gor, Kumar Saumya**; hereby certify that (1) views expressed in this research report accurately reflect my/our personal views about any or all of the subject securities or issuers referred to in this research report, (2) no part of my/our compensation was, is, or will be directly or indirectly related to the specific recommendations or views expressed in this research report by **Systematix Shares and Stocks (India) Limited (SSSIL)** or its group/associate companies, (3) reasonable care is taken to achieve and maintain independence and objectivity in making any recommendations.

Disclosure of Interest Statement	Update
Analyst holding in the stock	No
Served as an officer, director or employee	No

I. **ISSUER SPECIFIC REGULATORY DISCLOSURES**, unless specifically mentioned in point no. 9 below:

- The research analyst(s), SSSIL, associates or relatives do not have any financial interest in the company(ies) covered in this report.
- The research analyst(s), SSSIL, associates or relatives collectively do not hold more than 1% of the securities of the company(ies) covered in this report as of the end of the month immediately preceding the distribution of the research report.
- The research analyst(s), SSSIL, associates or relatives did not have any other material conflict of interest at the time of publication of this research report.
- The research analyst, SSSIL and its associates have not received compensation for investment banking or merchant banking or brokerage services or any other products or services from the company(ies) covered in this report in the past twelve months.
- The research analyst, SSSIL or its associates have not managed or co-managed a private or public offering of securities for the company(ies) covered in this report in the previous twelve months.
- SSSIL or its associates have not received compensation or other benefits from the company(ies) covered in this report or from any third party in connection with this research report.
- The research analyst has not served as an officer, director or employee of the company(ies) covered in this research report.
- The research analyst and SSSIL have not been engaged in market making activity for the company(ies) covered in this research report.
- Details of SSSIL, research analyst and its associates pertaining to the companies covered in this research report:

Sr. No.	Particulars	Yes / No.
1	Whether compensation was received from the company(ies) covered in the research report in the past 12 months for investment banking transaction by SSSIL.	No
2	Whether research analyst, SSSIL or its associates and relatives collectively hold more than 1% of the company(ies) covered in the research report.	No
3	Whether compensation has been received by SSSIL or its associates from the company(ies) covered in the research report.	No
4	Whether SSSIL or its affiliates have managed or co-managed a private or public offering of securities for the company(ies) covered in the research report in the previous twelve months.	No
5	Whether research analyst, SSSIL or associates have received compensation for investment banking or merchant banking or brokerage services or any other products or services from the company(ies) covered in the research report in the last twelve months.	No

10. There is no material disciplinary action taken by any regulatory authority that impacts the equity research analysis activities.

STOCK RATINGS

BUY (B): The stock's total return is expected to exceed 20% over the next 12 months.

ACCUMULATE (A): The stock's total return is expected to be within 10-20% over the next 12 months.

HOLD (H): The stock's total return is expected to be within 0-10% over the next 12 months.

SELL (S): The stock's total return is expected to give negative returns over the next 12 months.

NOT RATED (NR): The analyst has no recommendation on the stock under review.

INDUSTRY VIEWS

ATTRACTIVE (AT): Fundamentals/valuations of the sector are expected to be attractive over the next 12-18 months.

NEUTRAL (NL): Fundamentals/valuations of the sector are expected to neither improve nor deteriorate over the next 12-18 months.

CAUTIOUS (CS): Fundamentals/valuations of the sector are expected to deteriorate over the next 12-18 months.

Our proprietary trading and investing businesses may make investment decisions that are inconsistent with the recommendations expressed herein. The views expressed in this research report reflect the personal views of the analyst(s) about the subject securities or issues and no part of the compensation of the research analyst(s) was, is, or will be directly or indirectly related to the specific recommendations and views expressed by research analyst(s) in this report. The compensation of the analyst who prepared this document is determined exclusively by SSSIL; however, compensation may relate to the revenues of the Systematix Group as a whole, of which investment banking, sales and trading are a part. Research analysts and sales persons of SSSIL may provide important inputs to its affiliated company(ies).

Foreign currencies denominated securities, wherever mentioned, are subject to exchange rate fluctuations which could have an adverse effect on their value or price or the income derived from them. In addition, investors in securities such as ADRs, the values of which are influenced by foreign currencies, effectively assume currency risk. SSSIL, its directors, analysts or employees do not take any responsibility, financial or otherwise, of the losses or the damages sustained due to the investments made or any action taken on the basis of this report including but not restricted to fluctuation in the prices of shares and bonds, changes in the currency rates, diminution in the NAVs, reduction in the dividend or income, etc.

SSSIL and its affiliates, officers, directors, and employees subject to the information given in the disclosures may: (a) from time to time, have long or short positions in, and buy or sell, the securities thereof, of company (ies) mentioned herein or (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation (financial interest) or act as a market maker in the financial instruments of the company (ies) discussed herein or act as advisor or lender / borrower to such company (ies) or have other potential material conflict of interest with respect to any recommendation and related information and opinions. The views expressed are those of the analyst and the company may or may not subscribe to the views expressed therein.

SSSIL, its affiliates and any third party involved in, or related to, computing or compiling the information hereby expressly disclaim all warranties of originality, accuracy, completeness, merchantability or fitness for a particular purpose with respect to any of this information. Without limiting any of the foregoing, in no event shall SSSIL, any of its affiliates or any third party involved in, or related to, computing or compiling the information have any liability for any damages of any kind. The company accepts no liability whatsoever for the actions of third parties. The report may provide the addresses of, or contain hyperlinks to, websites. Except to the extent to which the report refers to website material of the company, the company has not reviewed the linked site. Accessing such website or following such link through the report or the website of the company shall be at your own risk and the company shall have no liability arising out of, or in connection with, any such referenced website.

SSSIL will not be liable for any delay or any other interruption which may occur in presenting the data due to any technical glitch to present the data. In no event shall SSSIL be liable for any damages, including without limitation, direct or indirect, special, incidental, or consequential damages, losses or expenses arising in connection with the data presented by SSSIL through this presentation.

SSSIL or any of its other group companies or associates will not be responsible for any decisions taken on the basis of this report. Investors are advised to consult their investment and tax consultants before taking any investment decisions based on this report.
