

[illegible][illegible]

- If never goes consolidation → replacement
- If never goes consolidation → reversal

Three expansion types:

1. Manipulation
2. impulse move up or down
3. judas swing

Thank you [for the strong and alternative vision](#)

The three flows in dots are one way

Quiet market starts everything

You just need to know

1. where it's at right now and
2. where it's likely to go and
3. where it came from.
